* Note: 11:00 & 15:00 services on weekdays and 13:00 & 15:00 services on weekends have a tight return connection at BP.
Remind Zig Zag guard that you are catching Cityrail.

Zig Zag is an 'on demand' Cityrail station, which means you must advise the guard that you want to stop and ride in the car next to the guard.

Be aware that when trackwork is happening, Cityrail buses stop at Clarence not at Bottom Points. Times vary from normal timetable.

Cityrail tickets are not valid on Zig Zag - a separate ticket must be purchased.
